**Independent Auditors' Report**

To the Board of Trustees of  
Atlanta Music Project, Inc.  
Atlanta, Georgia

We have audited the accompanying financial statements of Atlanta Music Project, Inc. (a Georgia nonprofit organization), which comprise the statements of financial position as of July 31, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Atlanta Music Project, Inc. and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Notes to Financial Statements**  
**July 31, 2015 and 2014**

**A - Nature of Activities and Summary of Significant Accounting Policies**

**1. Nature of Activities**

The Atlanta Music Project, Inc. (the "Organization") provides intensive music education to underserved youth in their neighborhood in the Metropolitan Atlanta area. Its activities are supported primarily through public and private grants and other means of public support.

**2. Basis of Accounting**

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Accordingly, these financial statements reflect all significant receivables, payables and other liabilities.

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets

All net assets not specifically restricted by donors are considered to be available for unrestricted use. Restricted net assets may only be utilized in accordance with the purpose established by their donors and grantors. Restrictions are considered satisfied when expenses are incurred which conform to grantor and donor specifications, rules or regulations. Net assets which have been earmarked for specific purposes by the governing board of the Organization are classified as unrestricted.

**3. Accounting Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**4. Grants Receivable**

Grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of grantor accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to grants receivable.

**5. Income Taxes**

The Organization was incorporated as a not-for-profit corporation under the laws of the State of Georgia and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, there is no provision for income taxes. The Organization qualifies for the charitable contribution deduction under section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization's evaluation on July 31, 2015 revealed no uncertain tax positions that would have a material impact on the financial statements. The 2011 through 2013 tax years remain subject to examination by the Internal Revenue Service. The Organization does not believe that any reasonably possible changes will occur within the next twelve months that will have an impact on the financial statements.

**6. Cash Equivalents**

For the purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**7. Equipment and Depreciation**

The Organization follows the practice of capitalizing all expenditures and contributions of fixed assets in excess of \$1,000 at cost. Depreciation is provided over the estimated useful lives of the respective assets on a straight line basis.

Estimated useful lives are as follows:

Musical Instruments	10 - 30 years
Vehicle	5 years
Computer Equipment	5 years

**8. Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted contributions whose restrictions are met during the year are recorded as temporarily restricted and are also included in restrictions satisfied by payments in the Statement of Activities. Contributions of securities or real property are recorded at fair market value.

**9. Deferred Revenue**

Deferred revenue consists of payments received in advance that relate to services to be rendered in the subsequent year.

**10. Allocation of Expenses**

The cost of providing the various programs and other activities at the Organization have been allocated among the programs and supporting services benefited based on methods considered by management to be reasonable.

**11. Fund Raising**

Fund Raising includes the direct costs and the allocation of other costs involved in special events based on methods considered by management to be reasonable.

**12. Donated Equipment**

Donations of equipment are recorded as contributions at their estimated fair value at the date of donation and are depreciated each year for the amount of depreciation expense relating to the donated equipment.

**13. Donated Services**

Volunteers from the community have donated a significant number of hours in assisting the Organization in achieving the goals of its programs. The value of this contributed time is not reflected in the statement of activities.

**B - Grants Receivable**
